RE: Small Business and Local Preference Program

Dear Mr. Young:

WMATA is pleased that your firm has re-joined our Small Business and Local Preference Program (SBLPP). The SBLPP is geared towards bidders participating in our simplified acquisition process. This process is for potential contracting opportunities of \$150,000 or less. Your self-certification is for a period of **two-years** and we ask that you ensure that your "Declaration of Certification" affidavit is updated at the appropriate time so that your firm will continue to receive the benefits of this program.

Note also that it is your responsibility to inform and update us if your contact information, email and regular address changes to ensure you continue to receive contract updates and notices from us.

Much success to you!

Sincerely,

B. Toulson
Coordinator
